Participant: The student or adult that chooses to participate in this program as described below. If the participant is under 18 years of age, the Participant stated on this form includes the Parent or Guardian who signs this agreement.

Rutland Area Robotics (RAR) is a 501c3 not-for-profit organization. The IBOTS are a FIRST Robotics Competition (FRC) team that operates under the supervision and operation of RAR. The Participant above desires to participate as a member of the IBOTS, and thus as part of RAR. It is required that the Participant agrees to this Consent & Release Agreement.

The Participant understands that participation in the Program will expose Participant to risks of injury. These may include but are not limited to: using tools, lifting, construction, using electrical components, working with pneumatics, using mechanical/robot components, and other associated activities. The Participant acknowledges and agrees that he/she is primarily responsible for his/her safety. Proper safety equipment is required when operating the equipment and doing the activities, and wearing such equipment is the responsibility of the Participant. The participant assumes all risk of such participation and releases RAR and all members, coaches, mentors and agent from any and all claims from any injury of any kind to the Participant or other damages that may occur as a result of the Participant's participation in the Program, including without limitation any injuries or other damages that may be caused by the negligence of RAR or any members, coaches, mentors or agents.

The participant may be required to have training before using certain equipment to do this activity. Gaining the proper training before using the equipment is the responsibility of the Participant. Any Participant who is not trained to use certain equipment is expected to not use said equipment at any time until properly trained.

The Participant agrees to not to file any lawsuit or otherwise make any claim against RAR or any RAR members, coaches, mentors or agents for any such injury or other damages. The Participant does not hereby release any claims against any individual person who intentionally causes injury to the Participant.

The Participant understands that this activity will be photographed, videos will be made, and other forms of recording and documentation will be created. Theses photographs, videos and other will be used and posted by RAR at the sole discretion and purpose of the organization. The Participant consents to those photographs, videos and other forms of recording and documentation be taken and use by RAR to promote their programs.

The Participant has read this document and understands that this Consent and Release Form includes a waiver of the right to make injury claims that is intended to be legally binding. By signing below, the Participant agrees to this Agreement.
